

Maxillofacial & Implant Centre in conjunction with Investec Presents

"The stig Dentist of the Coast" Competition

All competitors must be present for the safety and operating debriefing at 6.25pm and sign a Driver's Agreement. Therefore, it is essential that participants arrive on time as the races will run to a tight schedule. The Driver's agreement and heat rules can be viewed on our website: www.micqld.com.au.

You and your DA will have the opportunity to participate in 5 races. You will be timed and receive points, depending on where you finish in the race eg. 1st place receives 1 point, 2nd place 2 points etc., and 8th place 8 points. These points and times will be recorded on a league table, which can be viewed on our website.

Finalists from each event will compete on the last night of the competition (Tuesday, 10th May 2011). The objective is to finish with the least number of points. Winners will be announced and prizes awarded at the MIC "End of Financial Year Bash" in July 2011. Food and non-alcoholic beverages will be supplied on the night by the sponsor and MIC.

Rules of the track

- The driver must be a minimum of 152cm or 5 foot.
- You must participate in the safety and operation briefing prior to entry to the track.
- Helmets and hairnets will be provided at the track and must be worn by all drivers and passengers.
- Fully enclosed footwear must be worn
- All loose items such as scarves, key chains, mobile phones etc. must be removed before driving.
- A 'no contact' rule is in place - dangerous drivers will be disqualified and removed from the circuit.
- You must slow down to a walking pace when returning to the pit area.
- DO NOT TOUCH or try to adjust the engine at any time.
- NO ALCOHOL is to be consumed by participants on a race night.

Welcome to the competition and we look forward to seeing you at the track!
